Dog Services

Dog Walking: Private 30 or 60 minutes

Upon our arrival, your Dog(s) will be taken for an on-leash individual walk in your neighborhood. Poop will be scooped and properly disposed of. Food and water will be topped up and treats will be given upon your request. A note will be left after the visit to let you know how the visit went.

Puppy Visit: 15 min 2x/day

Congratulations to your new addition. He/she will be cared for as if they were one of our own. They will be taken for appropriately timed walks. We will start them off with small walks and get longer as they grow. We will clean up any surprises they leave in the house. We will also help reinforce your training. Your puppy will receive any special care they require when instructed by you. A note will be left after the visit.

Mid-Day Visits: 15 min

We offer this to owners who need the option of a quick let out or visit in their home. This includes a potty break, Play time, fresh water/food.. Must have a secure yard. A note will be left after each visit.

Bath & Blow Dry

Basic grooming: includes bath & Blow dry, ears cleaned, nails trimmed. Especially for dogs who don't require the service of a professional groomer.

(Great for in-between grooms too)

Maw'n Paws Pet Boarding Service

Your pet comes into our home and stays with us like one of the family. How they live at your home is how they will visit here. We have a strict NO crating policy. With the freedom of a half acre yard fully fenced, other friendly pets and an air conditioned house your pet will feel free and happy.

Day care is available too, drop off times and pick up times are between 7am and 8pm. If later than a specified time extra charges may apply.

Cat/Other Animal Care: 30 Minutes

We cater to more than dogs - all nature's little critters are welcome! We will come in and scoop litter/change bedding, feed and love all your pets in your home. Also we can give your home a lived-in look. A note can also be left after each visit.

Maw'n Paws Taxi Service

We understand that you might not always have the time to take your pet to all the places they need to be. We can take your pet to the groomers, vet, or any place you may need. We can also pick up of food, treats and any other items your pets might need. Just ask and we will see what we can do for you.

House Sitting

Required by most insurance companies, Maw'n Paws will give your home a lived-in look by picking up your mail/newspapers, watering your plants, taking out garbage, moving curtains, turning on/off lights, and so-on. Grass cutting/full snow removal is available for an additional fee. A note can be left after each visit.
